PRICE GUIDE: \$410.00 pw

A Stones throw from the Beach

This clean and modern 3 bedroom, 1 bathroom seaside townhouse is a dream setting for young families, couples or singles looking for a sea change with the stunning Safety Beach foreshore less than 200m from your door. The location couldn't be more perfect with convenient shops and acres of vacant crown land for children to play all within a moment's walk.

You can easily access public transport with a bus stop virtually at your door and there are plenty of high quality schools to choose from too.

The ultra-low maintenance yard means you won't ever need to worry about an overgrown garden and it's so quiet here you'll be sent to sleep by the sound of the waves lapping the shoreline!
