Contemporary & Comfortable

Beyond the well-presented, modest facade, a welcoming light filled and spacious interior awaits. With a high vaulted ceiling to the living room, solid oak floors, 3 great sized bedrooms and 2-bathrooms, this solid brick residence will suit the family seeking just the right mix of comfort, practicality and location.

A fresh colour palette throughout, the central modern appointed kitchen is timeless in style and equipped with a suite of quality appliances, soft closing cabinetry with ample storage solutions and the convenience of an adjoining meals area.

The master bedroom includes built-in robes and a sleek en-suite while a further 2-bedrooms feature block-out blinds and share a contemporary bathroom inclusive of a bathtub.

Stepping outside, the appeal continues with a decked alfresco, low maintenance grassed yard and complete with single garage/workshop with dual cross-overs for your vehicle accommodation.
