Family home in great location

Neat family home with new blinds and updated kitchen on full sized allotment. Offering three bedrooms plus study. Set in a desirable pocket of Chelsea Heights this home is designed for the family. Featuring a light filled kitchen overlooking the sunroom, open plan dining and a huge separate lounge room. The kitchen boasts dishwasher, under bench oven, built in microwave and electric hot plates.

This fabulous home includes master with ensuite, ceiling fan, walk in robe and remaining bedrooms with built in robes and ceiling fans which are serviced by the family bathroom. Additional features include gas wall furnace, air conditioning in lounge room, garden shed/workshop, double gate access to the rear yard and ample off-street parking.

Situated within easy walk to schools and convenience shopping and only a short distance to Chelsea village and Bicentennial Park.
