This beautiful 5-bedroom home will take your breath away! Comprised of five large bedrooms, 3 with carpet and 2 with polished floors, this house has ample storage with built in robes in 4 out of 5 bedrooms. The bedrooms are also serviced by two large family bathrooms.

The two separate living areas create a feeling of space, with the first living area boasting a coonara wood heater to enjoy the ambiance of a wood fire on a cold night. The second large living area has a split system heater/air conditioner and leads out to the rear undercover decked area, perfect for a summer BBQ
