## Modern Living in the Zone

An inspection is sure to impress with this stunning townhouse located in the Frankston High School. Comprising two generous bedrooms with built in robes, central family bathroom, a well-equipped chef style kitchen with stainless steel appliances including dishwasher.

A light and bright formal lounge/dining area is flanked by a dual opening glass sliding door which leads to a sun filled private courtyard and paved undercover area perfect for those hot summer nights.

Uniquely designed the well-appointed family bathroom services the large bedrooms. Other features include floating floors, second toilet in laundry, single remote garage with internal access, ducted heating, water tank servicing the toilets and undercover entertainment area.
