Light & Lovely in Lakewood

A light, modern low maintenance design offers you a welcoming and relaxed lifestyle option. Generous open-plan living accommodates for entertaining with kitchen, dining and lounge areas adjacent to each other plus a slightly sunken second living area that boasts a wood fire heater and reverse cycle heating/cooling. Further features include three bedrooms, master with ensuite, plantation shutters throughout, hardwood timber floors, gas wall heater and undercover outdoor entertaining.

Large outdoor shed/man cave completes this lovely home in the highly sought-after Lakewood area.
